Dress Code Reminder

Dear Parent(s) or Guardian(s),

Sunset Ridge would like to remind you of the Student Dress Code as you prepare to shop for school clothes. As always, we want to thank you for your support in working with us to make the school experience a positive one for everyone. As per district policy, (AA419) a reasonable dress code is an important part of a safe and appropriate learning environment. If you have any questions or concerns, please feel free to contact a member of the administration at (801) 412-2475 and we will be happy to speak with you concerning any aspect of the dress code. Again, thank you for sending your children to our school, may we always merit your trust in educating them.

Please do not send your student to school with any of (but not limited to) the following:

- Any item that has writing, pictures, or any insignias, which are crude, vulgar, profane, violent, or sexually suggestive.
- Any item that advertises, promotes, or has any likeness of tobacco, alcohol, or drugs.
- Any hair that is conspicuous, extreme, odd or colored in such a way that it draws undue attention, disrupts, or tends to interfere with the learning environment.
- Pants with large holes or holes above mid-thigh are not appropriate for school unless leggings are worn underneath to cover any exposed skin.
- Shorts and skirts must be mid-thigh when SEATED even if leggings are worn underneath – A trick to know if they are long enough is to have your student stand with their arms to their side – if the short or skirt is longer than the tips of their fingers – it should be fine.
- Any clothing that reveals the midriff or cleavage is not appropriate.
- Halter-tops, spaghetti straps, tank shirts or similar clothing should not be worn to school. Clothing shall cover the shoulders, midriff, underwear, backs and cleavage at all times.
- Hats of any kind.
- Any item that has been identified as “gang-related” such as Psychopathic Records (Hatchet Man, ICP, KMK, etc.), Old English lettering on buckles and clothing, “rags”, bandanas, etc.

For your information:

- Students must comply with the laws that govern wearing military uniforms and insignias (Title 10 USC §771-772, and Army Regulation 670-1 §29-4).
- Shoes must be worn at all times. Slippers do not constitute shoes.
- Gang-related items are determined by policy and in consultation with law enforcement, including the Metro Gang Unit.

Thanks you for your ongoing support!

iFLIGHT

Dear Parents and Guardians,

Sunset Ridge Middle School is continually striving to find ways to help students be successful. We will continue **iFLIGHT**—a time for students to get the extra instruction they need to be successful in school.

What is iFLIGHT?

iFLIGHT is a directed and structured time providing opportunity for students to be successful and receive additional help from their teachers. iFLIGHT is after 2nd period for up to three days a week. This time provides an opportunity for students to go to their classes where they may be struggling and not yet proficient on a standard taught. Ideally, iFlight is a school-wide intervention time where students receive additional instruction for concepts not yet understood.

How does it work?

For up to three days a week (except the last and first week of the quarter) students will be given a printout of their grades during second period. Students who have D's or F's or I's will go to iFLIGHT, which means they will go to a class in which they have a D, F, or I to work on mastery, to get help on assignments, make up work, or take a missed quiz/test. An "I" on a student's printout indicates that the student has not yet demonstrated proficiency on a major concept.

Students who have A's, B's, and C's will have the opportunity to go to an activity or to go to one of their teacher's classroom for additional help on their assignments or participate in "stretch" activities.

If a student has an "I" it is expected they will go to that classroom first to work on mastery skills. Teachers will direct students to that class first. It is expected that students will attend core classes first.

To increase instructional effectiveness teachers may close their classroom when 20 or more students attend. Therefore, it is essential that students quickly go to iFLIGHT classes to ensure they get assistance they need.

What do I need to do?

As a parent or guardian, we need your support.

- Help your student identify in which classes he or she could use extra help.
- Encourage your student to take advantage of iFLIGHT to work on mastery, get help on assignments or make up a test.
- Discuss with your student what they did during iFLIGHT.
- Show support for FLIGHT time by not checking your student out of school during this time.

Teacher Advisory (TA)

Teacher advisory is a student support class held on Monday throughout the year. At certain times of the year, students will report to Teacher Advisory on Thursday. During these 30 minutes the following activities may occur: school business, DEAR (Drop Everything And Read) & Study Hall, lessons related to character education, goal setting and life-long learning, and preparation for Student Led Conferences. Teachers also conduct grade checks with individual students and provide supervised study time. Students will be participating in a variety of activities and assignments and will receive a Pass/Fail grade. TA appears on each students schedule as their 8th period class.

Student-Led Conferences

Student Led Conferences is an opportunity for students to take responsibility for their education and demonstrate to their parents how they are doing in school. Student Led Conferences occur twice per year. Fall Student Led Conferences will be held on October 2-3, 2013. Spring Student Led Conferences will be held on March 5-6, 2014. Parents and students attend conferences together so they can communicate with each other and with teachers about the students' educational performance and possible areas of improvement. Together they review the students' portfolio, goals the student has developed and review grade printouts to gain an overall picture of their student's progress. Students are there to represent themselves and explain to both their parents and teachers areas in which they excel and identify any areas of concern they may have. This format provides a collaborative environment for the student, parent and teacher to discuss student strengths and areas of concern while developing a plan for continued progress.

In this section you should divide your walking map into sections or zones and then provide a written description of the path students should take to walk to school. This description should accompany the visual map.

Sunset Ridge Middle School Safe Walking Routes 2013-2014

We encourage students who walk to use the safe walking routes established by the Safe Walking Route Committee. Parents are encouraged to assist students in implementing the guidelines outlined below and in the attached maps. Parents who drive their students to the school should use the student drop-off zones on the east side of the building. Students who qualify for bussing should take advantage of these services. There is no safe walking route to the school for students who are eligible to ride the bus. We therefore strongly discourage students who qualify for bussing from walking unsafe routes. The areas below are neighborhoods within two miles of Sunset Ridge Middle School.

Area 1: "The Oaks" (located between 8200 S. & 8600 S. and Hwy U-111 & 6000 W.)

Students who live in "The Oaks" should access the roads within the neighborhoods to limit their interaction with traffic. All students who live in "The Oaks" should use 8305 S. to enter school property. Also, students who live east of 6700 W. should use Sierra Oaks Drive or Hilltop Oak Drive. Additionally, students who live east of 6400 W. should use Fall Oak Dr.

Area 2: "The Maples" (located between 7400 S. & 7800 S. and Hwy U-111 and 6400 W.)

From your home, take the shortest distance within your subdivision that safely provides access to 6700 W. At 7800 S., follow the instructions of the crossing guards to cross the street. Staying on the west side of 6700 W., travel south to 8200 S. Using the crosswalk, travel to the south side of 8200 S. Walk west to the school, using the sidewalk.

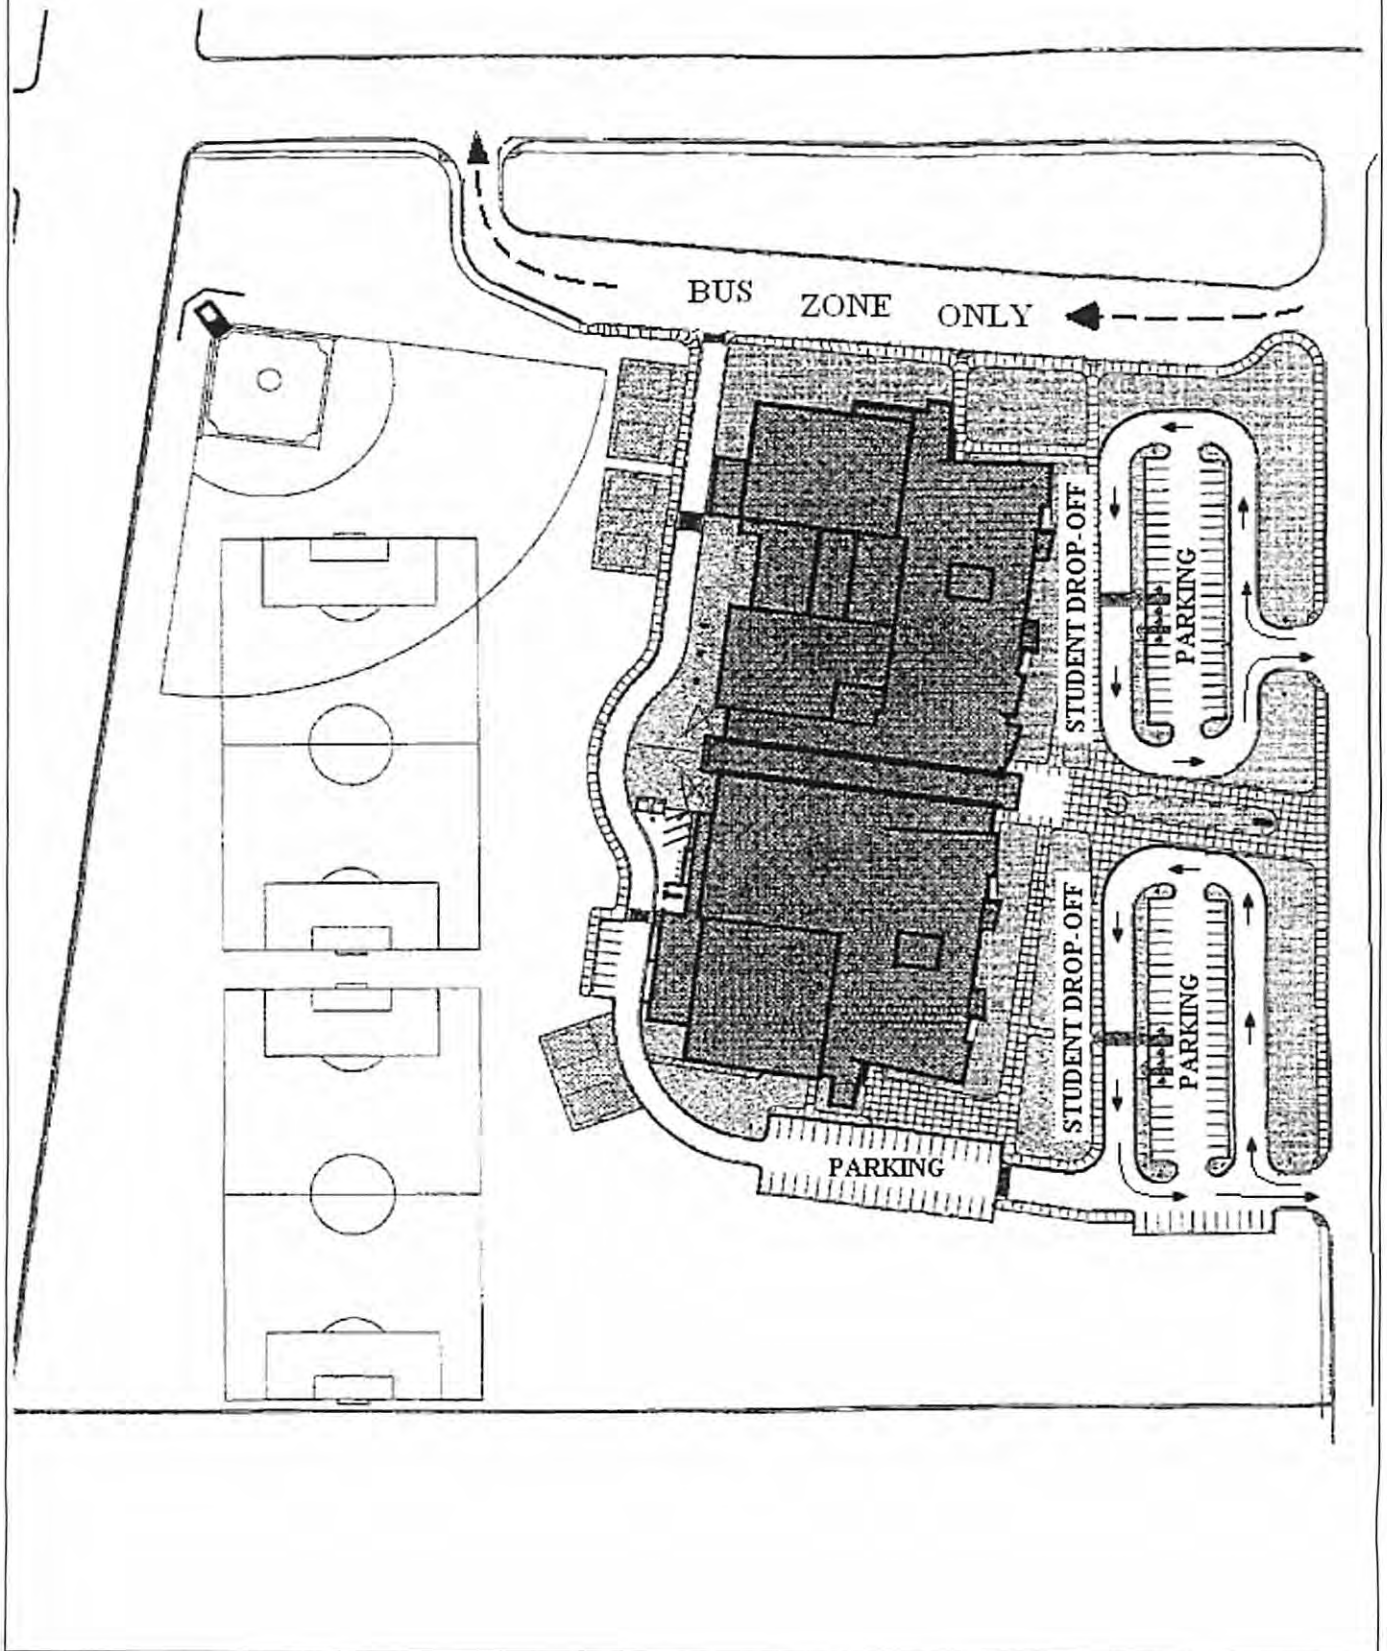

Area 3: "The Sycamores" (located west of Highway U-111 between 8200 S. and 7800 S.)

From your house, walk south to 8200 S. Use the sidewalk and stay on the north side of 8200 S. as you walk east to Highway U-111. At U-111, use the crosswalk to cross to the south side of 8200 S. Cross the intersection of Highway U-111 by accessing the sky bridge that extends over the highway. Once over the sky bridge, continue using the sidewalk to walk east to Sunset Ridge Middle School.

Area 4: "Serengeti Apartments" (located west of Highway U-111 between 6700 W. and 7800 S.)

Staying on the west side of 6700 W., travel south to 8200 S. Using the crosswalk, travel to the south side of 8200 S. Walk west to the school, using the sidewalk.
