

Sunset Ridge Middle School

Take a Summer USTAR Class

Why? Summer USTAR classes allow students to accelerate their progress in math, science and technology. The mathematics and physics classes allow for make-up of missing credit by the quarter. The classes are **free** to JSD students. Summer classes are small and have great JSD teachers. Credit is earned in a short amount of time. For example, the five-week chemistry class counts for an entire year of chemistry in a high school. All the fun stuff is offered: labs, videos, group work and applications to the real world.

Who? Courses vary, some are open to high school students only (any student entering 9th grade in the fall) and some courses are available for 7th and 8th grade students.

How? To see all available courses go to: <http://secondarymath.jordandistrict.org/ustar/>

This site will direct you to the sign-up locations. Make sure a summer vacation does not interfere with the course; students cannot miss more than 12 hours of class time.

Where? Courses are taught in several middle and high schools in the JSD. **We are offering Biology here at SRMS this year.**

The hours are usually 5-6 a day for science classes and 3-4 for mathematics classes.

Registration opens Tuesday, April 4 @ 8 a.m.

Upcoming Events

- 4/06 - MESA
- 4/03 - 07 - SAGE Writing
- 4/04 - USTAR Registration opens
- 4/10 - 14 - SPRING BREAK!
- 4/20 - MESA-Rama
- 4/17 - 21 - SAGE Writing #2
- 5/01- 5 - SAGE Reading

MESA will meet on Thursday, April 6 at 3:00 pm. The speaker will be a PhD student from BYU who will be talking about her experiments.

MESA-Rama will be April 20th, from 6 to 8 pm

SAGE Testing Schedule

April 3 - 7: Writing Prompt

April 10 - 14: Spring Break

April 17 - 21: Writing Prompt #2

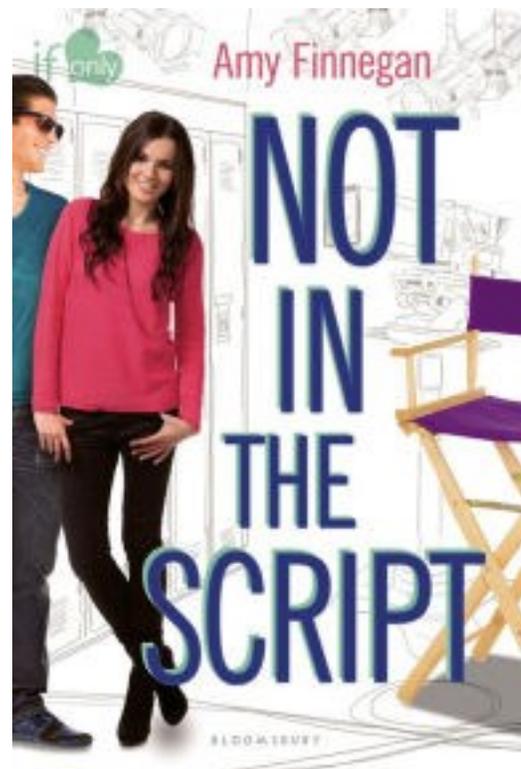

May 1 - 5: Reading

May 8 - 12: Math

May 15 - 19: Science

Book Whisperers

Hey Book Lovers! Do you want to laugh during the month of April? This month's Book Whisperers selection is *Not in the Script* by Amy Finnegan. This book alternates chapters between the point of view of two narrators. The first is Emma, a teenage actress who has just been cast for a part in a TV series called *Coyote Hills*. She has a reputation already for being very talented... and very bad at choosing guys. The second narrator is Jake, who is coming into acting from modeling. He doesn't enjoy modeling at all, but does it for the money because his mother has health problems. These two characters are joined by two other actors named Brett and Kimmi. Personalities clash, even within the characters themselves - the director has cast each actor in a role that is the exact opposite of that person's real personality. Come join us and see what happens! We meet every Tuesday from 3:00-3:30 in the Jungle Pod, which is the south seventh grade pod. All grades are welcome, and you can join at any time. We hope to see you there!

Scholarship Opportunity

“Do-Over”

Mistakes - we've all made them. Too bad life doesn't always give you a mulligan. Or does it?

What if you had the chance to "do-over" a moment in your life? What would it be? How would it affect you and your future?

What we learn from our mistakes can often be invaluable - but we're here to help put a price to it. While we can't undo the past, this fun scholarship is available to students looking for a unique way to earn free college money. Our Do-Over Scholarship will award \$1,500 to one lucky applicant. Don't let "applying for this scholarship" be that do-over moment for you!

Applicants must:

- Be thirteen (13) years of age or older at the time of application
- Be legal residents of the fifty (50) United States or the District of Columbia
- Be currently enrolled (or enroll no later than the fall of 2023) in an accredited post-secondary institution of higher education

Go to Unigo.com to apply

Award amount: \$1,500

Submit an online short written response (250 words or less) for the question:

"If you could get one 'do-over' in life, what would it be and why?"

Application Deadline: June 30, 2017

The Do-Over Scholarship winner will be notified by email or phone on or around September 30, 2017.

Summer PST

Registration Process

To register go to jordandistrict.org

Go to Faculty/Staff. Click on departments.

Click on Physical Education, Health and Wellness.

Click on Secondary P.E.

Click on PST.

Look for the session you want to register for....

Session #1 beginning at 7:15 a.m. or

Session #2 beginning at 12:00 p.m.

Click on the URL link of the session that you are interested in.

This link will take you directly to the Eventbrite registration page.

The password to register is: **jordan**

Once you have entered the password click on the green register button in the upper right corner.

Registration began March 27, 2017 at 4:00 p.m.
