- Elective

## Options for Taking Extra Classes

### Utah Students Connect (Grades 7 -12)

In order to register for your online course you will need to see your school counselor. These courses are done online and there are a variety of classes available. To take classes during the summer, the cost is \$45 per .25 credit. During the school year, classes are free but you need to see your counselor about how it affects your school schedule. Visit the website for more information. [www.utahstudentsconnect.org](http://www.utahstudentsconnect.org)

### Statewide Online Education (Grades 9-12)

These are online courses you can take outside of school hours. If you choose to take a course through this program, you will have less classes to take during the school day. You can sign up online and your school counselor will receive a notification to approve this course. Make sure you talk to your counselor about this.

### Northridge Learning Center (Grades 9-12)

You need a form from your counselor to pick up a packet. These packets cost \$50.00 for .25 credit. You can order online through [www.northridgelearningcenter.com](http://www.northridgelearningcenter.com). Packets can be picked up from multiple locations.

### Independent Study through U of U or BYU (Grades 9-12)

Please go to each school's website for further information.

### USTAR Summer Classes

#### (Grades 9-12) (Some classes for 7<sup>th</sup> & 8<sup>th</sup>)

USTAR classes allow a student to accelerate their progress in math, science, & technology. These classes are free to Jordan School District Students. These classes are 5-6 hours a day for science classes and 3-4 hours a day for math classes.

## Credit Recovery Options

### Sunset Ridge A+ Program

Most students who have failed a course will use this option to recover their credit in order to be on track for graduation. These courses are done online and there are a variety of classes available. To take classes for recovery credit, the cost is \$35 per .25 credit. To get registered for your online recovery course you will need to see your school counselor. Students are required to come to the counseling office during iFlight on Tuesdays and on Friday mornings from 7:30-9:30 am. Students have 9 weeks to complete a course and the final tests are taken Friday mornings at Sunset Ridge.

### Utah Students Connect

These courses are done online. There are a variety of classes available. To take classes for recovery credit, the cost is \$45 per .25 credit. To get registered for your online recovery course you will need to see your school counselor. Visit the website for more information. [www.utahstudentsconnect.org](http://www.utahstudentsconnect.org)

### Jordan School District Summer School

Information will be available in the spring. Two sessions are held. School hours are 9:00am-2:00pm. Registration and classes are at Valley High School. Credit is recovery only. There is a registration fee plus a fee per .25 credit to be recovered.

### Northridge Learning Center

You need a form from your counselor to pick up a packet. These packets cost \$50.00 for .25 credit. You can order online through [www.northridgelearningcenter.com](http://www.northridgelearningcenter.com). Packets can be picked up from multiple locations.

### Independent Study through U of U or BYU

Please go to each school's website for further information.

### USTAR Summer Classes

#### (Grades 9-12)

USTAR classes allow a student to make-up a missing quarter of math or physics credit. Classes are available during the summer. These classes are 5-6 hours a day for science classes and 3-4 hours a day for math classes.
