French Immersion Students

Students that are in the French Immersion Program will not get an elective option. Instead they will be taking a full year of French and then a semester of French culture and Media class. For this reason, these students must take PE online during the summer (\$90) or during the school year (free), or test out of keyboarding in order to have room in their schedule for the French Culture class. Contact the counseling center with any questions at 801-412-2485.
