French Immersion Students

Students that are in the French Immersion Program will only get one semester elective choice. Students will be taking a full year of French and then a semester of the French culture class. PE and Health classes are available online for those students interested in making more room in their schedule for electives. These online classes can be taken during the summer (\$90) or during the school year (free). Contact the counseling center with any questions at 801-412-2485.
