

Falcons Showing Empathy Contest

In TA, you recently learned about what Empathy is and how you can show it to others. Here at Sunset Ridge, we want to give you the opportunity to enter a contest where you can demonstrate what showing Empathy looks like to you.

You can create any of the following:

- Videos
- Poems
- Short Stories
- Pictures

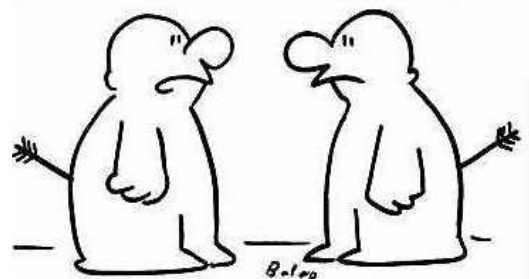

These entries should be school appropriate. These should provide examples of how Empathy can be shown in a school setting to other students around you. You can use real examples or create a scenario

These will be shown to the entire school in a PowerPoint presentation during a TA lesson in February. For the entries that are selected, a pizza party will be thrown during lunch.

All entries must be submitted to Ms. Harper & Mr. Lambert by January 29th at 2:50 pm. No exceptions. These can be emailed or dropped off in the counseling center.

If you have any questions, please contact Ms. Harper or Mr. Lambert.
