

Falcons Showing Respect Contest

In TA this year, you have learned about Respect is and how you can show it to others. Here at Sunset Ridge, we want to give you the opportunity to enter a contest where you can demonstrate what showing Respect looks like to you.

You can create any of the following:

- Videos
- Poems
- Short Stories
- Pictures

These entries should be school appropriate. These should provide examples of how Respect can be shown in a school setting to other students around you. You can use real examples or create a scenario.

These will be shown to the entire school in a PowerPoint presentation during a TA lesson on March 5th. For the entries that are selected, a pizza party will be thrown during lunch.

7 ways to show you're All About RESPECT

All entries must be submitted to the Counseling Office by February 21st at 3:00 pm. No late entries will be accepted. These can be emailed or dropped off in the counseling center.

If you have any questions, please contact Ms. Harper.

Due February 21st to the Counseling Center
