Procedures:	
<ol style="list-style-type: none">1. Review the definition of empathy with students. Empathy is the ability to understand and share the feelings of another person.2. During this TA lesson, students who have been reported for showing empathy will come down to the cafeteria to be entered into a prize drawing. A list of students reported will be provided to you.3. For students who were not reported, they will stay in class and go over some scenarios and discuss how empathy could be shown. You can split students into small groups and pass out the examples from the Someone Else's Shoes handout.
