**School-Wide Disclosure**  
**2012 - 2013**

**WELCOME** to Sunset Ridge Middle School! We look forward to helping you succeed.

**ATTENDANCE**

It is important that students are where they are supposed to be, when they are supposed to be there, doing what they are supposed to be doing. Activities, discussions, simulations, and presentations take place every day and cannot be duplicated even by after-school instruction or makeup work. Educational achievement comes through class participation as well as by assignments, projects, and tests.

Utah Compulsory Education Law (53A- 11-101) requires every school age child from six to eighteen years of age must be enrolled and regularly attending school. It is the responsibility of the parent/guardian to notify school officials of legitimate absences. Legitimate absences are defined as: verified illness, medical appointments, bereavement, court appearances, emergencies, pre-approved educational leave, and special family or religious events.

**BEHAVIOR EXPECTATIONS**

All students have a right to a safe and respectful learning environment, and they are expected to contribute actively to ensure that environment. Therefore, students are expected to:

Be on time, prepared, and ready to begin learning at the bell.

Follow directions.

Respect all people and property.

Appropriate gum chewing is a privilege that may be revoked. Please be respectful with gum. Some classes may not allow gum due to safety and sanitation, i.e. band, physical education, auditorium.

Candy, food and/or drink are not allowed in class except when provided by the teacher.

Above all, RESPECT YOURSELF and your own right to learn.

Backpacks, book bags, and messenger bags are not allowed in the classrooms due to safety concerns. As much as possible, lockers have been assigned near at least half of a student's classes. Winter-weight outerwear should be put in the locker, as it is not allowed in the classroom.

**POSITIVE REWARDS**

Possible rewards of appropriate behavior are:

Learning

Self respect

Good grades

School club activities

Praise from the teacher

POD Awards

Falcon of the Quarter

Class and school-wide incentives

Positive communication home

Interactive educational games

Extra credit

**CONSEQUENCES**

Possible consequences for inappropriate behavior are:

Decreased learning

Poor grades

Visual or verbal correction

Seating reassignment

Last to leave the room

Removal from the situation

Parent contact

Discipline assignment

Contracts

Referral to the administration

Lunch Detention / ISS

## CITIZENSHIP ASSESSMENT AND TARDIES

Citizenship grades are based on attendance, participation, preparation, and behavior. Students are expected to be in their assigned seats in the classroom, with their materials ready, and/or ready for instruction WHEN the bell rings; otherwise, they will be considered tardy. Students will be allowed to make up one tardy per class per quarter by making arrangements with that teacher to do so. A made-up tardy will no longer affect the citizenship grade, but it will remain on the school attendance record.

Behavior and tardies directly affect the citizenship grade as follows:

**H** = The student seldom, if ever, violates school and/or class rules, takes correction in a positive and productive way, is willing and eager to improve, and initiates positive contributions to the school and class community; **no more than one unexcused tardy**.

**S** = The student does not often violate school and/or classroom rules, is amenable to correction and makes a positive contribution to the school and class; **no more than 2 unexcused tardies**.

**N** = The student frequently violates school and/or classroom rules, but is generally amenable to correction and makes an acceptable though usually passive contribution to the school and classroom; **no more than 3 unexcused tardies**.

**U** = The student's negative behavior, including cheating, often impacts the learning environment; **4 or more unexcused tardies**. Any student who is truant will result in an automatic U.

## ACADEMIC HONESTY

At Sunset Ridge we believe in the importance of academic honesty. We feel it is critically important for each student to do their own work. Academic dishonesty may give the impression of achievement but impairs learning.

The following are examples of academic dishonesty:

Receiving or providing information during or for a test

Using non-approved material on tests

Violating testing rules and procedures

Using someone else's writing (word for word or almost word for word) and saying it is your own (plagiarism)

Using someone else's ideas as your own and not giving proper credit

Using or copying another student's assignment to turn in as your own work

Allowing others to do your work and claim it as your own

Allowing other students to use your work with the exception of approved group, lab, or collaborative projects

Forgery

Academic dishonesty may be subject to the following consequences:

Parent contact

Demonstrate Understanding

Drop in citizenship grade

Drop in academic grade

Administrative Intervention

## TRUANCY

Truancy (sluffing) will result in an automatic U in citizenship for the quarter. Because learning is a top priority, students who are truant are expected to complete missed work; however, no credit will be given for work missed due to truancy.

## GRADING

Grades are based on an accumulation of total points from assessments, assignments, and participation. Points are converted to a percentage, and letter grades are assigned according to the following scale of percent:

100 – 93 = A	76 – 73 = C
92 – 90 = A-	72 – 70 = C-
89 – 87 = B+	69 – 67 = D+
86 – 83 = B	66 – 63 = D
82 – 80 = B-	62 – 60 = D-
79 – 77 = C+	59 – 0 = F

## TOTAL QUALITY WORK AND HIGH EXPECTATIONS FOR ALL

Total quality work is expected on all work and from all students. TQW includes:

### ON TIME

FOLLOWS DIRECTIONS – fulfills assignment as outlined.

LEGIBLE – uses a whole sheet of paper, pencil or pen, typed when required.

NEAT – free of smudges, scribbles, stains, wrinkles, and spiral edges.

EDITED – error free, complete sentences, specific details, vivid word choice.

When ILLUSTRATED – large, bold, full color, detailed.

When PERFORMANCE-BASED – positive attitude, active participation, accurate, appropriate

BEST EFFORT!

Work that is not total quality will be returned to the student with one chance to meet total quality work guidelines. Students must bring this assignment up to quality standards by a deadline established by the teacher, or it will fall into the late work category.

### ABSENT WORK

Following any absence, excused or unexcused, the STUDENT is responsible for obtaining missed assignments upon his/her return and completing the work according to this policy. The student has 5 school days following an absence to make up missed work for full credit. After that time, missing assignments become LATE WORK and are handled under that policy unless the student and teacher have previously negotiated an extended due date for absent work to be completed. **Students will be notified in advance of projects/assignments for which this absent work policy does not apply.**

### LATE WORK

Late work is defined as any work not completed and handed in by the due date except in the case of legitimate absence.

### 7<sup>th</sup> & 8<sup>th</sup> Grade Late Work Policy:

Students are expected to complete all missing work.

Late work will be given a **maximum score of 70% (C-)** of its original value.

No credit will be given for certain assignments and projects that are late or exceed a specific cut-off date.

Students will be informed ahead of time if an assignment/ project falls into this category.

Each teacher reserves the right to require an alternative or additional assignment if the original assignment has been corrected in class.

Resources will be made available for students who struggle with meeting academic deadlines.

The grade book will close to all **QUALIFIED LATE WORK** one week prior to the end of each quarter.

### 9<sup>th</sup> Grade Late Work Policy:

In addition to the “7<sup>th</sup> & 8<sup>th</sup> Grade Late Work Policy” above, 9<sup>th</sup>-grade students will have four (4) weeks from the day an assignment is due in class to hand it in for late work credit.

## **COOPERATIVE WORK**

Students learn by reviewing others' work. Please contact your child's teacher if you have questions or concerns regarding this.

## **INTERVENTIONS**

When students do not meet academic or behavioral expectations, these following interventions may take place:

Assignment returned with a chance to meet total quality work guidelines  
In-School Intervention time up to 4 times weekly  
Before and after school assistance  
iFlight  
Math Lab  
Parent contact  
Progress reports  
Parent conference with student and teacher or team  
Guided study  
Counselor assistance  
Administrative intervention  
Placement in support programs  
Academic Skills Academy

Other interventions may occur on an as-needed basis through the school's pyramid of interventions. A goal of the school is to have every student acquire essential skills and knowledge. Teachers, students and parents must be partners in that effort.

### **iFlight**

iFlight is an intervention program held on Tuesday and Wednesday for 30 minutes. This time is for students to get the extra help they need to be successful in school. Grade printouts will be given to students each day iFlight is held. Students who have all C's and better will have the opportunity to attend an activity, such as open gym, computer time, games, arts & crafts, study hall, etc. Students who have a "D" or "F" or "I" on their current grade printout will attend "Intervention," where they will study or work on late, missing, or incomplete assignments or tests.

## **TEACHER ADVISORY (TA)**

Teacher advisory is a student support class held on Monday and Thursday throughout the year. During these 30 minutes the following activities may occur: school business, DEAR (Drop Everything And Read) & Study Hall, lessons related to character education, goal setting and life-long learning, and preparation for Student Led Conferences. Teachers also conduct grade checks with individual students and provide supervised study time. Students will be participating in a variety of activities and assignments and will receive a Pass/Fail grade. TA appears on each students schedule as their 8<sup>th</sup> period class.

## **HOMEWORK**

Not all learning takes place at school; much learning occurs outside the classroom. Homework should be expected each night.

### **SUPPLIES NEEDED DAILY**

Student planner  
Pencil / Eraser  
Pens (black, blue, and red)  
Lined paper  
Colored pencils  
Binders/folders/dividers

Pencil pouch

Silent reading book  
Additional subject-specific items, such as calculators, may be required

## **SUNSET RIDGE MIDDLE SCHOOL COMPUTER CONTRACT**

The computers at Sunset Ridge Middle School enhance the written communication of our students. Any student who shows the proper respect to this costly equipment can enjoy this privilege. Students who use school computers must read and understand this contract. Their signature and the signature of their parent/guardian are required before any student can use school computers.

During the time students are using a school computer, they are financially responsible for the computer, the course materials, and the printer they use. Damage to the machines or software due to student abuse or negligence during that time will be charged to the responsible student(s).

No student may use a computer without permission and supervision of a teacher.

Appropriate behavior is expected of all students using computers. Inappropriate behavior will result in the loss of all computer privileges.

No food, gum, or drink is allowed around the computers or printers at any time.

Any problems with the computers, the software, or the printers should be reported to the teacher immediately. A student should not attempt to fix any machine or program. If a problem arises, the student should raise his/her hand for assistance.

Students may access their own files only and print only as instructed by their teacher.

Copying computer software without written permission of the manufacturer violates the U. S. Copyright Law and is a federal offense. Jordan School District and Sunset Ridge Middle School do not give permission for anyone to copy software unlawfully.

Students must agree to follow the Internet Acceptable Use Policy. The media specialist will keep these contracts on file.

**KEEP LOG IN AND PASSWORD CONFIDENTIAL!**

## Attendance Policy

Student attendance affects learning. Students should understand it is essential to attend school regularly and be on time to every class. The bulleted items below are administered through the Attendance Office, 412-2480.

### Check-In and Check-Out Procedures

Excused Absences:

Illness  
Family emergency  
Vacation  
Sick Room  
Truancy Policy  
Home/Hospital

### Visitors

We ask all visitors to report to the main office upon arrival. It is helpful for parents to make an appointment prior to their visit.

### Skyward

Skyward allows parents and students the ability to access academic and attendance information via the internet. To access Skyward, go to [www.jordandistrict.org](http://www.jordandistrict.org), click on "Parents and Students," then click on "Gradebook," then click on "Sunset Ridge." The user name is the student's district ID number.

Passwords were mailed home with student schedules at the beginning of the year. If the password is misplaced or lost, contact the counseling center for further information.

### Student ID card

ID cards are given to all students free of charge. ID Cards are used for checking out books in the LMC and to verify identification wherever it may be needed. There is a \$2.00 charge to replace any student ID card.

### Cell phones & Electronic devices

Cell phone use is not allowed during the school day. Cell phones are to be turned off and put away between the start of 1<sup>st</sup> period and the end of 7<sup>th</sup> period, except for lunchtime. ***Any parent who needs to reach their child during these critical learning times can do so by calling 801-412-2480.*** We have phones throughout the school for non-disruptive necessary communication between students and their families. Possession of a cellular telephone is a privilege that may be forfeited if a student uses his/her cell phone inappropriately.

Electronic devices such as music players, gaming devices, cameras, etc. are disruptive to the educational process. We recommend they be kept at home. If such items are brought to school, they are to be kept in the students locker between the start of 1<sup>st</sup> period and the end of 7<sup>th</sup> period.

E-Readers are increasing in their effectiveness and prominence in the lives of our students. They are increasingly more affordable and as a result are in the hands of our students. Kindles, Nooks, iPads, etc., are extremely effective education tools. Therefore, it is essential that we establish a school-wide policy and practice for use of e-readers. Students are allowed to use e-readers at Sunset Ridge Middle School to meet instructional objectives. Students fall under the same Information Network Acceptable Use Policy (Jordan School District Policy AA445), as with any other technology/network usage.

### Cell phones & Electronic devices continued

Students will assume all responsibility and liability related to any personal electronic device they bring to school. Sunset Ridge Middle School is not responsible for preventing or resolving theft, loss, or damage of personal electronic devices. If these items are used inappropriately, they will be confiscated. Students can pick up confiscated devices in the attendance office at the end of the day for a first offense. Subsequent offenses will require the parent to pick up the item during regular school hours.

**Lockers**

Every student enrolled at Sunset Ridge Middle School will be assigned a locker and combination. Lockers are the property of the school. Lockers may be inspected by school authorities at any time. Students are to use their assigned locker only. Students should not share lockers or combinations with anyone. Sunset Ridge Middle School is not responsible for any personal property that is lost, stolen, or vandalized. Vandalizing any lockers will result in payment for the damages. Tape and stickers may not be used on lockers. Magnets and plastitac, for example, are better options.

**Library Media Center**

The library is open from 7:30 a.m. to 3:30 p.m. every day. Students may check out books and use the computers in the library. A fine of 10¢ per day is assessed to any books that are returned after the due date. Printing services are available: 10¢ for black & white personal copies, 25¢ for color copies. Students who wish to access the library during lunch may obtain a Library Pass in the library before school.

**Lunch & Cafeteria**

**Dining Area**

Students are asked to stay in the cafeteria or, on good weather days, on the playing fields. Sports equipment can be checked out in the attendance office. Middle school lunchtime is part of the “closed campus” that exists in middle school. Students must remain on school grounds once they arrive at school unless checked out by a parent or guardian, otherwise the student will be considered truant.

**Lunch Accounts**

Deposits into lunch accounts can occur in the main office. The student’s district ID number is the PIN number used to access each lunch account. To check the balance of the lunch account you may call 412-2491 between 11:00 a.m. and 1:00 p.m. or go online to [www.paypams.com](http://www.paypams.com). Deposits can also be made online at the same website named above. There is a fee charged for each transaction done over the internet.

	Regular price	Reduced price
Breakfast	\$1.00	\$0.30
Lunch	\$2.00	\$0.40

**Vending Machines**

Students will have access to vending machines that dispense a variety of drinks, snacks, and other choices. Students may use the vending machines “at their own risk.” Students are not able to withdraw money from their lunch accounts to use in the vending machines. Sunset Ridge is unable to reimburse students for money “lost” in the machines.

**School Dress Code and Grooming (Jordan School District Policy AA419)**

Students shall dress in a manner that shows respect for the educational environment and is befitting of the day’s activities. Students’ clothing and jewelry must be safe and not a distraction or disruption to school activities. Personal items such as clothing, paraphernalia, jewelry, backpacks, fanny packs, gym bags, water bottles, etc., shall be free of writing, pictures, or any other insignias which are crude, vulgar, profane, violent, or sexually suggestive. Items that bear advertising, promotions and likeness of tobacco, alcohol, or drugs shall not be allowed. Students shall not wear clothes that are mutilated, cut off, or immodest, e.g., short shorts, mini skirts, bare midriffs, halter-tops, spaghetti straps, tank shirts, or similar clothing. School officials will determine what constitutes “gang” clothing, colors, and paraphernalia after consultations with law enforcement agencies as needed. Shoes shall be worn at all times that ensure personal safety and hygiene.

**The school administration is responsible and accountable to interpret the JSD Dress Code.** Students in violation of the dress code will be given opportunities to change into appropriate clothing.
