Elections for SCC President and **VP**

Nominations held for President

Name nominated and elected SCC President unanimously

Steve Thatcher nominated and elected SCC **Vice President** unanimously

(Mr. Hamblin speaking except where noted)

- Have to watch landtrust video
- SLCs coming up, scheduling letter sent home
- Nov - Hot Diggity Dog - branching out from hot dogs
- Portables, audio enchanter and projector systems going in
- iFlight - In full swing
- Busses entering and exiting from the West

CSIP

- Mission statement and DRSLs on the back
- Part of what we do every day and part of schools to watch
- Must be updated every year and in addressed by SCC

(No questions)

Land Trust

- Final report of 2009-2010 in Nov
- Pyramid of Interventions - rTi - iFlight
- Salaries - 3 intervention aides - help kids make up tests, target struggling students
- Guide and direct learning in a more immediate manner
- Intervention not remediation - quickly as possible we identify students and provide assistance
- Also pays for professional development conferences

(No questions)

AYP

- Made AYP last year
- No in Hispanic category - Yes in safe harbor
 - Question from **Name** - Why do they break out the race groups?
 - Becky Stephens - Counselors look at closing the gap
- More work to do in LA than in Math
- Why discrepancy between whole school LA and Math
- Algebra 1A has no test and Sped

Testing

- District no longer doing IOWA
- Doing Explore test instead, connected to ACT
- More of an aptitude test than a academic skills test
- Will take 5 class periods
- Will only score complete tests
- Coming in Nov
- For 8th graders

SLCs

- Question from **Name** - Can we make sure that students know what they are doing?
 - Showing a video, reviewing process, and practicing

PLCs

- Interdisciplinary, Dept, Grade level
- Provide depth in education rather than a mile wide and inch deep
- Working at high school level too
- Teaming to focus at needs of students

iFlight

- Assigned, not optional, not summer, not after school
- Don't get to choose whether or not to go to intervention if they have a D or F
- Get grade printout eve Mon Tues Wed
- Looking at getting an aide to deal with the logistics
- +550 Fs in the school at this point last year
- Only at 200 at this point
- SCC welcome to come see it
- Fluid, we'll keep re-evaluating
- Looking at moving the bar to Cs
- Like to move to all missing assignments
 - Concern from **Name** about Cs being too high for some students

6pm does work for future SCC meetings

SR-111

- SR-111 U-DOT coming in to explain to what the master plan for the corridor is
- District has been paying for bussing to Sycamores that they weren't required to pay for
- Bussing to Sycamores will terminate when light is built

- Also paying for 4 hours of extra of police observation
- Can't put crossing guard at the location
- Will be doing speed study
- Ultimately want sky bridges - funded by special project by legislation
- If it passed this session it would be one year after funding for it to be completed
- Can't change speed limit without speed study
- Never seen a light going in more quickly
- Train people with the lights so that they will never hit both green
- 85 students that live across U-111
- SNAP

All but two students are consistently using the safe walking route

Technology

- Want Website to be for disseminating information
- Question: External website resources for homework
- Looking at mobile labs
- \$30,000 for lab infrastructure
